

Health and Safety Policy of FLÖTER Verpackungs-Service GmbH

We, FLÖTER Verpackungs-Service GmbH, are a medium-sized, creative, and globally active service company in the field of environmentally friendly product distribution between customer and consumer. Our headquarters is located in Schwieberdingen near Stuttgart (Germany), and we employ around 40 staff members.

The health and safety of our employees are our top priority. We are committed to creating a safe and healthy working environment that complies with legal regulations, ordinances, and the requirements of the DGUV (German Social Accident Insurance). Continuous improvement of our working conditions is a matter of course for us.

We view workplace safety as a dynamic process that requires the active participation of all employees. We promote a culture of health and safety awareness and provide our employees with the necessary resources and training to ensure both their own safety and that of their colleagues. Teamwork, open communication, and clear leadership responsibility are our fundamental principles for bringing together the individual strengths of each employee and creating a safe working environment.

Through our economically responsible and globally minded actions, along with our flexibility and mobility, we are committed to the long-term health and safety of our employees in a globalized world. We firmly believe that optimal performance can only be achieved in a healthy and safe working environment.
